INTERNSHIP

CREDENTIAL HOLDER

**10
weeks**

AI-ML Virtual
Internship

COMPLETION PROFILE

**Shreyansh Srivastava
completed a 10-week AI-ML
internship**

Institution: IILM University, Greater
Noida

Credential: AI-ML Virtual Internship

Certificate period: December 2025 to
May 2026

PROGRAM CONTEXT

The internship sits inside a national skilling ecosystem

01	02	03	04	05
Ministry of Education Education backbone	AICTE Technical education	National Internship Portal Program network	EduSkills Industry bridge	Google for Developers Industry-aligned curriculum

The certificate names the Ministry of Education, AICTE, the AICTE National Internship Portal, and EduSkills; the reference report describes EduSkills working with Google

PROGRAM FOCUS

AI-ML learning connects foundations to applied computer vision

1

Foundations

Machine learning, neural networks, and convolutional neural networks.

2

Models

Image classification and object detection.

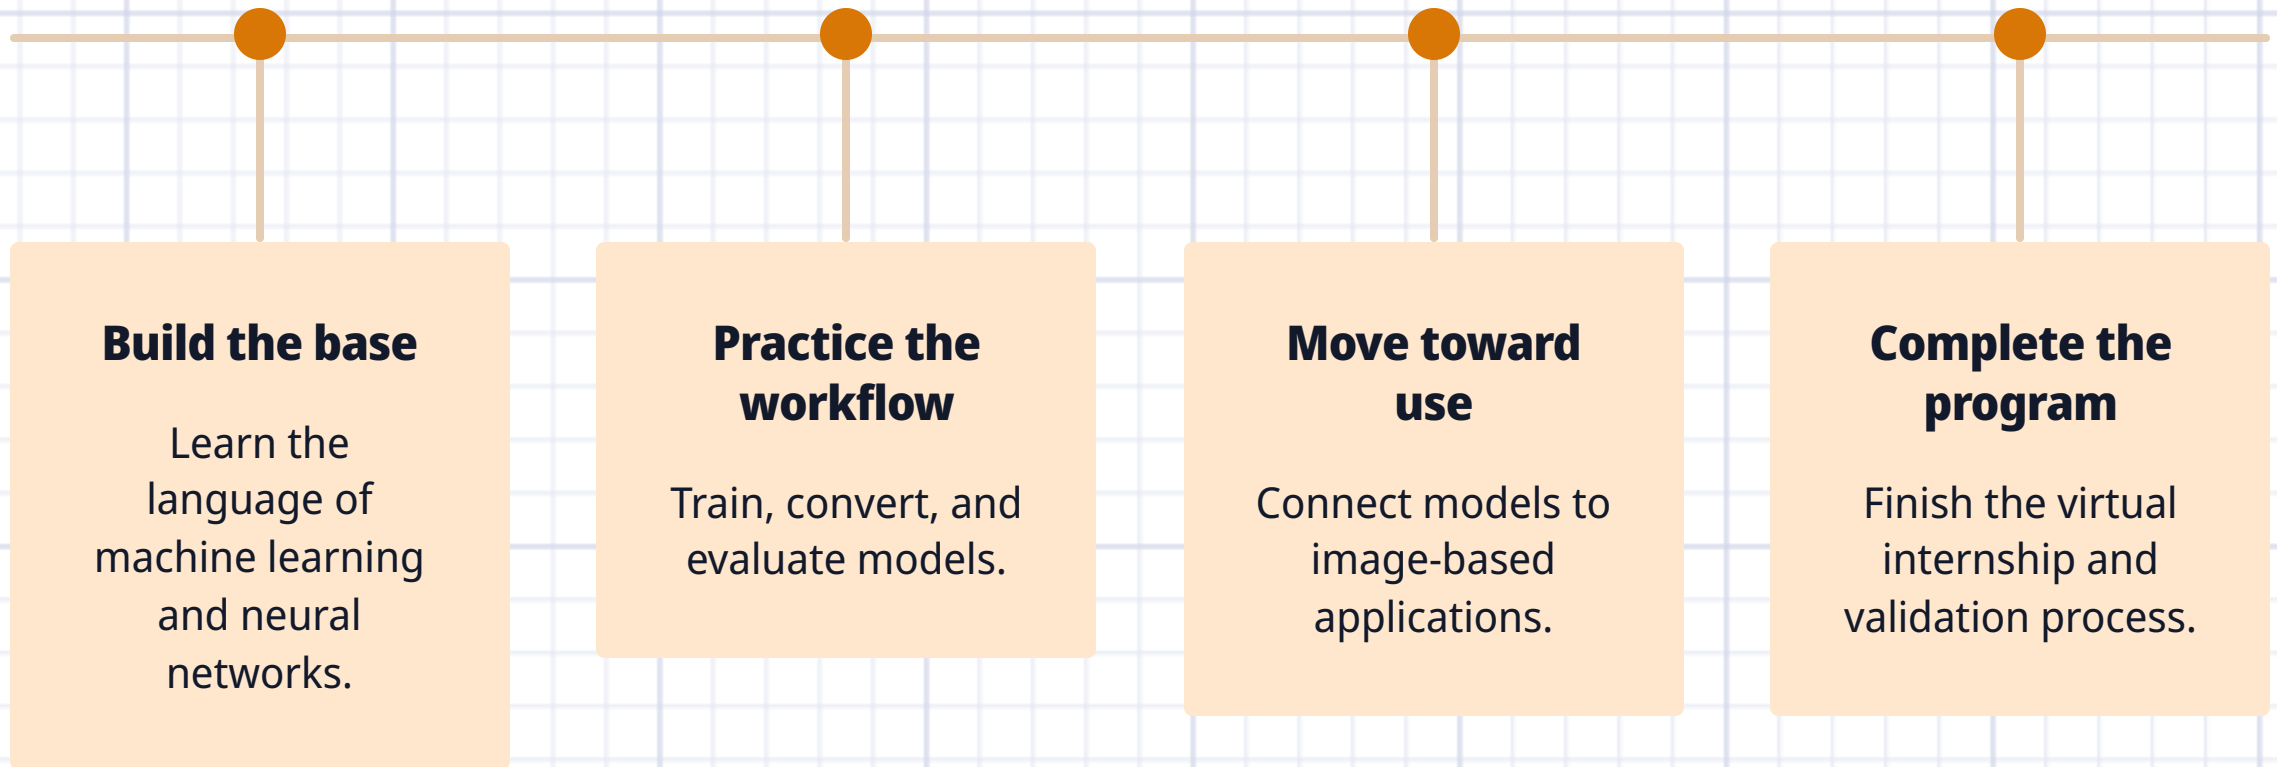

3

Application

TensorFlow Lite, Model Maker, and integration into an application.

LEARNING JOURNEY

A 10-week credential marks a sustained learning journey

Certificate duration: 10 weeks • December 2025 to May 2026

TECHNICAL TOOLKIT

The technical toolkit spans code, models, and deployment

Python

Core programming
language

TensorFlow & Keras

Model building and
training

TensorFlow Lite

On-device deployment

Model Maker

Custom model training

Focus areas

CNNs, object detection, product image search, and
image classification

CERTIFICATE RESULT

O

Outstanding

Highest grade on the
certificate's grading key

Status

Successfully completed
the AI-ML Virtual
Internship

Official scale

O corresponds to 90–
100

VERIFICATION LEDGER

The credential is easy to verify

Field	Record
Certificate ID	a7f3e6c9d4b2f1e8a6c3d5b7
Student ID	shreyansh.srivastava.cs28@iilm.edu
Candidate	Shreyansh Srivastava
